SPECIAL TO THE TRIBUNE

Local insurance agent Doug Blevins received two major honors recently on behalf of his Loganville-based insurance agency.

Blevins was recently inducted into Alfa Insurance's Hall of Fame during the company's annual awards ceremony.

This elite group represents the highest honor one can earn with the company. He was also named Top Alfa Agency Producer and Top Commercial Producer and received the Distinguished Service Award – Gold Level. The ceremony, held Feb. 10 at the Montgomery Performing Arts Centre, recognized Alfa's best agents and managers for their dedicated service and commitment to policyholders.

Blevins has served as

an Alfa agent since April 2017. During his tenure, Blevins has earned numerous awards including Achiever of the Year, three Top Property Awards, three Top Commercial Awards and six Top Agency Awards, plus nine Distinguished Service Awards – Gold. His agency has also been named Top Service Center twice.

Alfa and its affiliates provide insurance for more than a million customers in 14 states.

That wasn't the end of Blevins' recent honors, however.

Blevins was also recently honored as one of the best insurance agencies in the state.

stand out through reliability, service, and a commitment to doing things the right way.

Serving individuals, families and businesses throughout Loganville and the surrounding

area, Doug Blevins Agency & Associates provides auto, home, business, commercial, life and financial services with a focus on preparation over reaction.

Guided by its philosophy, "A better way to do insurance!," the agency helps clients make informed decisions with clarity and confidence, long before coverage is ever needed.

What distinguishes the agency, Blevins said, is its relationship driven approach. Insurance is not treated as a transaction, but as a long-term partnership. Clients are known by name, coverage is tailored to real life needs, and conversations are handled with care and transparency.

The team's white glove service reflects a hands-on commitment to explaining options clearly, staying involved, and remaining accountable well after policies are in place.

"We don't wait for

something unexpected to make insurance personal," said Doug Blevins. "That relationship starts the moment we issue a policy. Our responsibility is to make sure our clients feel supported, informed, and confident from the very beginning. This award reflects the trust our clients place in our team every day."

The 2025 Best of Georgia Award celebrates businesses that demonstrate consistency, integrity, and community impact. Looking ahead, the Doug Blevins Agency & Associates remains focused on serving Georgia families and businesses with the same attention, reliability, and personal care that earned this recognition.

Blevins and his wife, Samantha, are the proud parents of two sons — Mason and Beau. They are active members of Graystone Church.
